XXXIII. SONOMA, SONOMA COUNTY, CAL., AUGUST 26, 1911. NO. 8

## INTERESTING ITEMS FROM EL VERANO AND VICINITY.

### Weekly Record of all the Happenings in His Town as Faithfully Recorded by Our Wide-Awake Reporter, "Archie McKiver."

Harry Lubbock visited Santa Rosa last Saturday.

James Baines is in Oregon visiting friends and relatives.

Martin Hanley of Oakland is spending the week in our town.

Miss May Bosch was a visitor to Napa the latter part of last week.

Postmaster A. D. Graham of Boyes Springs was in San Francisco Monday.

George Baines was an El Verano visitor to the Sebastopol apple show Monday.

Attorney James Oliver of San Francisco was the guest of L. L. Lewis Sunday.

Mrs. Otto Gericke of Vineburg was a visitor to the Sebastopol apple show Tuesday.

Mrs. A. S. Gale, wife of station agent Gale of this place, was a visitor to the metropolis Monday.

Mayor M. E. Cummings was a Sonoma passenger on our new train last Sunday morning for Napa.

Carlos Emparan and Otto Rhineer, two well-known brakemen on our freight train, were in town Sunday from Suisun.

Louis Peterson and A. Block are busy this week unloading several carloads of lumber in the Southern Pacific yards of this place.

Mrs. Al Weaver has returned home after spending several weeks visiting friends and relatives in the southern part of the State.

Chas. Ruffner, Jesse Burris and Chas. Dal Poggetto, all of Sonoma, were passengers on Tuesday's a. m. train en route to Santa Rosa.

M. F. Mullen is giving his store in this place a new coat of white paint which will add much to its appearance. Marzo & Son are doing the work in a first-class manner.

The new train service which went into effect last Sunday morning is a great accommodation and no doubt will be appreciated by the traveling public. El Verano is going right ahead and no doubt this new train service will help the valley a great deal.

J. K. Bigelow has a pile-driving crew at work along the east bank of Sonoma creek putting in piles to protect the old Maxwell ranch from the raging waters of Sonoma creek during the winter and early spring months which have washed away large strips of valuable farming land the past few years.

Summer visitors still linger here.

Mrs. M. Watts of San Francisco is in town and will take up a permanent residence here.

Mrs. Chas. Ormond of San Francisco was the guest of Mr. and Mrs. H. Lubbock at "The Riverside" last Sunday.

Otto Spindler has returned to his home here after spending several weeks in Los Angeles and other cities in the southland.

Miss Sarah Baines, accompanied by Miss Nettie Kirkland, left for Santa Cruz on Wednesday morning and will visit friends there for several weeks.

Mickie Drugan, the mascot for the San Francisco Seals, the crack baseball team, is in town this week. Mickie is about three feet high, and there is certainly some class to the Seals mascot.

Will Johnson, the popular waiter at the French Cottage, will soon leave for San Francisco, where he has accepted a position in one of the leading restaurants in Butchertown, South San Francisco.

John Serres and family will shortly leave Glen Ellen and return to their home here adjoining the Bellevue Hotel. It is his intention to build several attractive cottages on his real estate holdings in this place.

Jeff Gage, accompanied by his son, arrived here Wednesday from Oakland. Mr. Gage, who is well-known in railroad circles was for a number of years a Southern Pacific conductor on the passenger train between South Vallejo and Santa Rosa. He is now running between Oakland and San Jose.

Another constable's sale took place here Wednesday to satisfy a judgment obtained in the Justice's Court by Charles Danieli against K. Gabriel for rent due, etc. This was the second attachment suit instituted against Gabriel, who was the owner of the El Verano restaurant and which proved a disastrous investment for him.

While Archie Gale and Jake Steckmeyer, carpenters in the employ of Ed. Harris, were driving to Glen Ellen last Saturday the bolt of the wagon shaft broke, causing the horse to run away. The vehicle tipped over and both men were thrown to the ground with great force but fortunately escaped with minor injuries. The horse, however, did not fare so well, having kicked himself loose from the wagon and running into a barbed wire fence was frightfully cut about the legs.

Harry Lubbock is in San Francisco this week attending the Eagles convention.

Last Saturday a well packed piece of baggage was checked at the depot here which the owner claimed contained clothing. When tossed into the baggage car of the afternoon train an explosion occurred. An investigation of the package disclosed the presence of a 44-calibre revolver fully loaded, one of the cartridges of which had been discharged when the bundle came in contact with the hard floor of the car. That the bullet passed harmlessly over messenger Colgan's head and went through the ceiling of the car does not mitigate in the least the gravity of the offense committed by the owner of the baggage. A Southern Pacific detective arrived here Wednesday and is investigating the matter. The concealing of firearms in baggage that is to be checked is a serious offense and in this case the careless owner of the package may have to answer for his offense.

ARCHIBALD MCKIVER.
El Verano, Aug. 23, 1911.

### Sonoma Native Sons Initiate Big Class Last Monday Evening.

Sonoma Parlor, No. 111, N. S. G. W., is growing some these days. and new members are being added to the membership right along. Last Monday evening a large class of our prominent young men were initiated into the order and a number of applications for membership have been sent in the past week and there will be another big initiation at the next meeting of the Parlor.

Much interest is being taken by the members of the Parlor in the forthcoming celebration in Santa Rosa on September 9th to commemorate the admission of California into the Union, which is always one big day for our Natives. On this occasion Sonoma Parlor can be depended upon to make good in the big parade which will be the main feature of the celebration.

The members will be attired in new and attractive uniforms and with their handsome banner and the Sonoma Valley brass band of twenty-eight pieces will do old Sonoma town proud.

### Grand Ball at "The Oaks"

Mrs. Farrell, owner of "The Oaks," has announced a grand ball at her popular summer hotel for this (Saturday) evening. An excellent orchestra has been engaged for the occasion and prizes will be awarded for the best dancers. The floor will be under the management of Jody Hayden. Mrs Farrell invites the general public to be present and assures all who attend one good time.

### Weyl-Carpenter

Miss Florence Carpenter and Frank Weyl were married in Santa Rosa on Friday afternoon of last week. The ceremony was performed by Justice of the Peace Atchinson in the presence of a few friends only. The bride is a daughter of Mr. and Mrs. Geo. B. Carpenter residing on the Baxter tract and the groom is a son of Mrs. Henry Weyl of this place.

### For Sale

Handy one-horse wagon; low body; almost new.

F. W. DOBBEL,
Buena Vista Poultry Yards.

## INTERESTING DATA ABOUT OUR SCHOOLS

### Miss Florence Barnes, County School Superintendent, Files Her First Annual Report

The annual report of County Superintendent of Schools, Miss Florence Barnes, has just been completed.

Among other things the report shows that in the grammar schools of the county there are 235 female teachers and 18 male teachers, making a total of 253 teachers. Out of that number 6 have high school certificates and 246 grammar school certificates; $17,976.50 was paid annually to the men teachers, and $218,559.75 to the women. The superintendent made 231 visits to the various schools during the year. The average attendance of pupils was 7117. The number of scholars enrolled was 11,625. Of these 3740 were boys and 7885 girls.

There are six high schools in the county, Sonoma, Santa Rosa, Cloverdale, Sebastopol, Petaluma and Healdsburg. The enrollment is 927, being 381 boys and 546 girls. The average attendance has been 734 for the year. Last year 105 graduated from these institutions, 37 being boys and 68 girls.

Thirteen male teachers and 24 female teachers are employed in our six high schools, making a total of 37. Out of that number 35 have high school certificates and two have special certificates. Last year $46,208.75 was paid for salaries alone.

### A Cow Parlor at The State Fair

The aristocrats of the dairy will be honored at the state fair in roomy and airy barns, from which they will be couducted by white uniformed attendents to the milking parlor, a new concrete pavilion with stanchions for 72 cows. Here they will leisurely chew their balanced ration while the milking is going on, after which they will to taken back to the dormitory barns. The milking barn is well drained and scientifically ventilated, lighted by electricity and is a model in every respect of what a milking barn should be. The milking itself is a sanitary exhibit that should be studied by every dairyman. Near the milking barn is a model dairy house with its separators, butter making apparatus, refrigerator with seven-ton ice capacity and laboratory for the testing of milk and cream, the examination of butter, etc. This building is of cement painted cream white, and is located at the north of the Manufacturers' Building. It is beautifully lighted and will be used also as the lecture room of the dairy department of the State Agricultural School at Davis. Lectures on dairy practice will be given daily by members of the Davis school staff.

### Electric Headlights For Locomotives.

All of the locomotives of the Southern Pacific Company are rapidly being equipped with electric headlights. The system is the invention of one of the men in the Sacramento shops of the company and consists of a small turbine engine and generator. This engine has the power of generating thirty volts of electricity, sufficient for the headlight, classification lights and several smaller lights about the engine, all controlled by a switch in the engineer's cab. This does away with the inconvenience of using the old fashioned torch at night when oiling the locomotives.

### Picture Show at Union Hall

The Sonoma Moving Picture Show will be open to the public in Union Hall every Tuesday, Saturday and Sunday evenings, with continuous performances from 8 to 10 and a complete change of pictures each night. Admission 10 cents.

### Woman's Club Notes

Last Friday was Social Day at the club. Mrs. Wagner was hostess of the afternoon and Miss F. Murphy was in charge of the program. It was expected that Miss Ida Piatt of the Santa Monica schools would tell the club of her work as superintendent of the department of domestic science, but she was unable to be present. In her absence a paper on "Household Economics" was read by Miss Murphy, after which two songs sung by Miss Kelly were much enjoyed and then a charming trio by Miss Stofen, Mrs. Kinsella and Mrs. McElney, Mrs. Bateman accompanist.

At the brief business meeting the Treasurer reported having received $54.00 from the Citizens Committee of the Fourth of July celebration to be added to the Library fund.

Three new members were admitted.

The Secretary was instructed to write to the Northwestern Pacific Railroad Company, expresssng the appreciation of the Woman's Club over the coming of the new motor car service.

Mrs. Stearns and Miss Stofen were appointed to confer with the Landmark's Committee regarding a change in the location of the Camino Real bell.

L. S. DUHRING,
Club Reporter.

### Sonoma Should Have a Parlor of Native Daughters

In view of the Admission Day celebration to be held in Santa Rosa on September 9th, the opinion has been freely expressed in both town and valley that a Parlor of Native Daughters should be instituted in Sonoma. Some one among our prominent young women should take this matter up without delay in order to participate in the forthcoming celebration. It requires but twenty charter members to organize a Parlor of Native Daughters. Now, who among our young ladies will make a move in this direction?

Miss Minnie Coulter, an ex-Grand President of the order, has set out to organize a Parlor in Santa Rosa and we predict it will be instituted in time to participate in the big celebration which will attract to Santa Rosa the flower of the youth of California of both sexes.

### Machine For Loading Gravel

In the Sacramento, California, shops of the Southern Pacific Co., there has just been completed a machine for the loading of gravel upon flat cars from out of the bed of a river. Technically, it would be called a dredger. It consists of the necessary boilers and engines with a 70-foot boom, and by the use of what is known as the clam shell steel bucket, is now being used successfully in loading gravel from the bed of a river in the Sacramento valley. This gravel, taken from underneath the water, is clean and dustless and makes fine ballast, and is being used on the double-track work of the Southern Pacific between Benicia and Sacramento.

We are paying one cent under the San Francisco quotations. This is the same price paid in Petaluma. Bring us your eggs.

Green, Foster & Lehmann.

Moving pictures every night at El Verano Villa.

## PERSONAL AND SOCIAL NOTES AND HAPPENINGS IN TOWN.

### Doings of the Various Sets in this City and Its Immediate Vicinity---The Goings and Comings and Other Items of General Interest.

Sunday was one of the warmest days in the season.

Jesse Burris visited the county seat last Sunday.

Mrs. Steffens of Oakland was the guest of Sonoma friends Sunday.

Mr. and Mrs. L. S. Simmons took in the Carnival at Sebastopol Tuesday.

L. Wright of San Francisco has been registered at the Toscano Hotel this week.

Miss Clara King of Eldridge returned from Alameda on last Saturday evening.

The Misses Caminata came up from San Francisco and visited their mother here Sunday.

Mr. and Mrs. Howard Nauman of San Francisco spent Sunday here with Mr. and Mrs. Clarence Nauman.

Mrs. Fannie Leix, M. D., and infant son, returned Tuesday from a pleasant visit of one week with friends near Santa Rosa.

The Sonoma Valley Union High School reopened Monday after the midsummer vacation with an increased number of scholars.

After spending the summer here Mr. and Mrs. Clarence Nauman and family returned to their home in San Francisco last Thursday.

Jas. Pieratt, the veteran hunter of Glen Ellen, passed through town Thursday on his way to Napa county on a deer hunt in the Carpey valley.

The Home and School Association will meet this (Saturday) afternoon at 2.30 o'clock in the High School building. All friends of Sonoma schools are earnestly invited to attend.

Mrs. Ricci, widow of the late James Ricci, lost a purse containing over $30 last Monday morning between her home on Spain street and Mrs. Poppe's store.

Dr. Bateman has moved from Broadway to the Quartaroli place, east of Adler's planing mill, on Spain street. The accommodations afforded by the new location are splendid with its large outbuildings and stabling rooms. This will enable the doctor, who is a regularly graduated veterinary surgeon, to install up-to-date and necessary appliances for the handling of an increasing business in the treatment of all ailing domestic animals.

Miss Gertrude Britenbach returned to Sonoma Monday after a pleasant visit in Santa Rosa and other county towns.

Mrs. Carrie Burlingame, who underwent a very delicate surgical operation at the Broadway sanitarium recently, has entirely recovered.

M. S. Beyers, who was operated upon in St. Mary's Hospital several weeks ago, is now convalescent and will shortly be able to return to his home here and attend to his store business.

Hal Boyd, son of Rev. Thos. P. Boyd, pastor of Trinity Episcopal Church of this city, who was run over by an automobile in Berkeley a couple of week's ago, is now able to be up and around in his home.

Miss Florence Linehan of San Francisco has been here all week, the guest of Mr. and L. H. Green at their Broadway home. Miss Linehan was born and raised in this city, but left with her parents for the metropolis ten years ago.

William Springfield, whose resort on the road between this place and Boyes Springs was recently destroyed by fire, will be rebuild in the near future. This will be good news to his many friends here and to visitors to the valley in general.

A party of five big game hunters passed through here en route to Napa by automoble from Mendocino county, Monday. One of the trophies of the hunt was the hide of an immense black bear which probably weighed between 800 and 900 pounds.

Eric Bateman and Jack Brown stopped a runaway horse attached to a spring wagon on the corner of Broadway and Napa streets Sunday evening last. The runaway was a menace to the lives of a number of women and children on their way to church, and the prompt action of the young men no doubt prevented a serious accident.

Trinity Episcopal Church services will be conducted in the Masonic Temple by Rev. Thomas Parker Boyd at 11 a. m and 8 p. m. tomorrow (Sunday.) The morning subject will be "The Kind of a Church Jesus Christ Wants in Sonoma." In the evening the "Ant Life of Christ" will be continued. "Throw Out the Life Line" will be sung and illustrated. These services are for all people.

## An Excerpt from President Taft's Great Rochester Address.

In touching upon the movement for the betterment of society and the curing of the new evils growing out of the concentrated wealth of the country President Taft in his great address before the Grand Army of the Republic in Rochester, the other day, said: "It has invited from the active minded of today suggestions of remedies that are so extreme that the medicine to many of us seems worse than the disease. * * * Those of us who are charged with the responsibility and sobered with the difficulties find ourselves in the middle of the road, resisting the tendency to socialism on the one hand and the inerta of reactionary contentment with present evils and ambition for greater concentration of financial power on the other, but we are gradually solving the problem.

"The message that you bear, with your experience and your success, to those of us struggling now with the problem, is that, however dark at times the situation seems, so long as we retain in this country a God-fearing, sober, intelligent people, we can count in the long run upon their working out safely and sanely the problems set before them."

## PERSONAL AND SOCIAL NOTES.

Mrs. Henry Wicker is visiting friends in the metropolis.

Mr. and Mrs. F. T. Duhring visited in San Francisco Thursday.

Mr. and Mrs. Kirkman of El Verano were presented with a baby girl Thursday.

Mr. and Mrs. Bateman have rented the W. H. Daly house on Spain street.

Miss Ruth Poppe was here Sunday and spent the day with her folks, Mr. and Mrs. J. E. Poppe.

Mr. and Mrs. Reid spent the day sight-seeing over to Sebastopol at the apple show Wednesday.

Happy Jack Walker and wife are taking a week's vacation on the La Grange ranch north of town.

Mrs. Kinsella and sister Miss Robinson went over to Sebastopol the middle of the week to see the sights in the that town.

Miss Anita Breitenbach is spending her two week's vacation in San Francisco and Santa Rosa visiting her aunt, Mrs. C. L. Kopf

Don't forget the big baseball game Sunday afternoon at the baseball park. The Boyes Hi-Balls will cross bats with the Nationals of San Francisco.

Mrs. L. Britenbach, has been visiting her sister Mrs. Bayer in Santa Rosa. She also took in the apple show, being accompanied by both her sisters Mrs. Kopf and Mrs. Bayer.

A grand entertainment and social will be given at Agua Caliente Springs on Saturday evening, September 9th, for the benefit of St. Francis chuch, Sonoma. A very good time is anticipated. All are welcome.

High School boy wants to work for board and room at anything on ranch or in town. School hours from 9 a m to 3 p. m. and none on Saturday and Sunday.
Answer P. O. Box 254, Sonoma.

The new time card of the Southern Pacific company which went into effect last Sunday gives Sonoma Valley an additonal train to and from the metropolis and Santa Rosa.

## Notice to Property Owners.

Notice is hereby given that all property owners on the line of the sewer, now building, will be required to purchase 4-inch sewer pipe to connect with the main sewer in the center of the street to the sidewalk curbing in front of their premises. The contractors for the construction work may excavate for the property owner and lay his pipe if he so desires.

The Board would suggest that this be done as it will save the property-owner money to have the connection made now, although it is not compulsory at this time.

For further particulars see Mr. F. Cherry, superintendent of construction. By order Board of City Trustees of Sonoma.

M. E. Cummimgs, President.

### Hay Market This We k.

Somers & Co., in their bulletin for the week ending August 22d, say: "During the past week more hay has arrived in San Francisco than for a long time past, a total of 4851 tons arriving in comparison with 3977 tons the week previous. The market is well sustained even under these heavy arrivals and this condition only strengthens the idea of those interested in hay that we will see a much higher market later on. Usually at this time of the year there is a great deal of hay pressing on the market which causes a severe congestion on the tracks and wharves and therefore has a weakening tendency, but this season it is quite the contrary; receipts are easily disposed of and dealers are very active in the country in their efforts to secure hay both for present and future shipment. Not only are the hay districts which usually supply San Francisco well out of their supplies, but there is now a tendency to go further away from San Francisco and secure hay which comes to this market only when prices are high enough to warrant the higher freight rate being paid.

"Hay is at a high range all over the country and the prices on the Pacific Coast are lower than in any other section. However, those in touch with the general situation predict a material advance here which we are inclined to think will occur, although of course there are many unforseen conditions which will determine the course of the market.

"The movement of alfalfa continues about as before, although there is not the usual demand for it. There is considerable being offered, however, and unless the demand improves we are inclined to think that there will probably be more offered than can be well taken care of at the present range of prices.

"We quote the present range of prices as follows: Choice wheat hay, $15.00 to $16.50; good grade same, $12.00 to $14.00; other grades same, $8.00 to $12.00; wheat and oat, $8.00 to $15.00; tame oat hay, $8.00 to $14.50; stock hay, $5.00 to $7.00; $alfalfa, $8.00 to $12.00; sraw, per bale, 35c to 60c.

### Painful Accident.

The little five-year-old son of Mr. and Mrs. Whitmore, residing on their farm east of Broadway, accidentally received a deep gash on the forehead while playing with his sister on Wednesday last. The little fellow was attended by Dr. Frances Leix, who sewed up the wound, and the youngster is now toddling around as usual as though such things were trifles.

## Summons.

No. 7764.

In the Superior Court, State of California, in and for the County of Sonoma.

W. B. Farley Plaintiff. vs. W. H. Callahan Defendant.

Action brought in the Superior Court of the State of California in and for the County of Sonoma, and the complaint filed in the office of the County Clerk of said County of Sonoma.

H. W. A. WESKE, Santa Rosa, Cal., Attorney for Plaintiff.

The People of the State of California send greeting to W. H Callahan, defendant.

You are hereby directed to appear, and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma, within ten days after the service on you of this Summons, if served within this county; or within thirty days, if served elsewhere

And you are hereby notified that unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or will apply to the Court for any other relief demanded in the complaint

Given under my hand and the seal of the said Superior Court, this 6th day of June, 1911.

(Seal.) W. W. FELT, Jr., County Clerk.

# VINEBURG NEWS ITEMS

**"Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.**

Teams of all kinds are now busy hauling fruit, wine, hay, etc. to this station and many cars leave daily.

The Mayor is now busily engaged building a suspension bridge on the south side of the old homestead.

James H. Albertson, Sonoma's popular Marshal, accompanied by Peter Boccoli Jr., was a visitor at Batto's spur one day last week.

Mr. M. J. Pierce is now engaged in finishing the outbuildings around the new school house and they are all very neat and attractive.

Sunday last was certainly a lively one in this burg as a number of people arrived and departed on the trains running north and south.

"Ethel Eastlake" will be quite busy for the next few weeks as she is just putting the finishing touches on her new novel, "The Burning Daylight."

Mrs. Fred Batto and daughter Miss Louise were the guests of San Francisco friends and relatives from last Friday morning, returning Sunday evening.

Mrs. Harry Hunter and Miss Ethel Hampton were passengers on Saturday morning's train on a visit to the bay cities. They returned home Monday evening.

Mr. S. Rieble, father of Mrs. E. Forni, and Mrs. Thomas Lentz, Mrs Forni's sister, were guests at Pleasant Villa the latter part of the week, returning home Monday.

Mr. and Mrs. Edward Bousquiet and son Alfred of San Francisco were the guests of Mrs. Bousquiet's uncle and aunt, Mr. and Mrs. A. Rouquie Sr. at Vineyard Villa Sunday last.

August Rouquie, chief engineer of the Vineburg fire company, was a visitor to the metropolis and also to Stockton several days last week. During his absence he looked into the different fire systems of those cities and will report at the next meeting of the Box Car Improvement Club.

That was a mean thing to do when some one in Sonoma last Saturday evening went to a buggy belonging to a couple of Vineburg ladies and took their face powder and decorated the horse with it. Boys, a joke is a joke, but fooling with a young lady's complexion is no joke at all.

Batto's spur these days is the scene of much activity as the fruit drying season is now on. A large number of persons are employed around the warehouses and drying yards. Among the numerous carload lots received on the spur this week was a full carload of pears from a San Francisco commission house, some of them grown in this valley. Some one must haev got "stung."

A number of the property owners in this vicinity are at present busily engaged in sinking wells and erecting tank frames and windmills. Among them are Geo. McGill, Louis Rouquie and Harry Hunter. You can depend upon it that Vineburg will never go dry, as we intend to have "water" to drink and something on the side also.

We nearly met with a serious accident on last Sunday afternoon between Buena Vista and Sonoma. An auto hitting the high spots at a merry clip came very near running into us. On the front seat of the car was the "man at the wheel," a rather stout complectioned young lady and a 'mutual friend.' Just as they passed us the lady fell across the driver's arm and the machine skidded and so did we. 23 skiddo. We would like to find out the lady to return our thanks.

Last Sunday, August 20th, 1911, was celebrated the anniversary of one of the patron Saints of France, Saint Roc. A large number of friends and visitors arrived from San Francisco and met quite a number at this point and all repaired to the Vineyard Villa. The company were received by Mr. and Mrs. Rouquie and after partaking of a splendid dinner enjoyed themselves to their heart's content. About 80 to 100 were present. This last makes the 25th annual celebration of the day at Vineyard Villa. "Vive la France."

EASY JIM.
Vineburg, Aug. 24, 1911.

## Auto Accident on the Sebastopol Road.

Ed. Burrier, chauffeur on the Senator Kearns ranch at Kenwood, while returning from the apple show at Sebastopol last Wednesday evening in the Kearns car collided with a horse and buggy belonging to Henry Baker of Santa Rosa. The buggy was completely wrecked and the horse fatally injured. The accident happened in a most peculiar manner and was really unavoidable. It appears that J. Ray Cone was driving his machine along, followed closely by Burrier in the Kearns car. Mr. Crone turned out to pass Henry Baker, who was driving along in his horse and buggy. Mr. Burrier, thinking that Mr. Crone had turned out to allow him to pass, drove right ahead and collided with Mr. Baker.

# SUDDEN DEATH OF VICTOR JANSEN.

**Passed Away on Thursday Afternoon After a Brief Illness—His Sudden Death a Great Shock to His Friends.**

Victor Jansen, for many years a resident of this city, died very suddenly last Thursday afternoon at his home on second-street West.

The deceased had been complaining for about a week, but did not consider his condition sufficiently alarming to call in a physician. Just before he expired he remarked to his wife who was bathing his limbs that he felt queer and immediately lapsed into unconsciousness.

Dr. Leix was summoned but when he arrived at the Jansen home the stricken man had already passed away. The cause of death was a diseased granular (lymphatic) system, which led to blood poisoning.

The sudden passing of Mr. Jansen was a great shock to his many friends in this city, where he had lived for over a quarter of a century. He was a native of Norway and aged 59 years.

The deceased leaves a widow and two sons and a daughter. The sons are Alfred and Jerome Jansen.

The funeral will take place from the residence of deceased tomorrow (Sunday) at 1:30 p. m., under the auspices of the Sonoma Lodge of Odd Fellows, of which order he was a member. The interment will be in Mountain Cemetery, of which Mr. Jansen was sexton years ago.

## Brakeman Meets Singular and Tragic Death

That the life of the trainmen on our railroads is a hazardous one is not only known to life insurance people but to every body else that reads the newspapers these days. There are collisions, derailments and a hundred other things in the casualty line that goes to shorten the lives of railroad employees in these days of rapid transit. These things are calculated upon, but an accident that caused the death of a brakeman on the Northwestern Pacific railroad near Willits last Saturday morning was something unlooked for in railroading. On the morning in question while brakeman Will Ward was hauling a load of logs on a logging train a bullet from a 22-calibre rifle struck him in the breast and caused his death inside of a few minutes. He was standing on the rear platform of the caboose of the speading train when he received his death wound.

The shot was fired by a small boy who was hunting in the brush alongside the railroad and the shooting was purely accidental.

# BETTINI ON TRIAL FOR HIS LIFE.

**Slayer of James A. Acqustapace at Agua Caliente Last March Faces Judge and Jury.**

Ben. Bettini, who shot and instantly killed James A. Acqustapace, proprietor of the Agua Caliente Depot Hotel, on the night of February 27th last, on the very threshold of his home, is on trial this week before Judge Seawell and a jury.

The history of the case is substantially as follows: On the night of the killing Bettini, who was partially intoxicated, drove up to Acquistapace's hotel and with a companion entered the bar room. He was in a quarrelsome mood and after calling for the drinks became involved in a dispute with Mrs. Acquistapace over the change coming to him and applied vile and insulting language to the landlady.

Acquistapace then appeared upon the scene and ejected Bettini through a front screen door. This angered the latter who drew a pistol and fired the shot that ended Acquistapace's career.

Although fatally wounded Acquistapace pursued Bettini for several yards, being joined by his wife and Peter Acquistapace, a cousin, who seized and disarmed the murderer. He then went to the assistance of the wounded man who in the meantime had expired in his wife's arms.

Bettini thereupon made his escape but was subsequently very cleverly captured by Depuy Sherff Joe Ryan, and lodged in jail.

The accused is being prosecuted by District Attorney Clarence F. Lea and Assistant District Attorney J. W. Ford.

Attorneys Wm. F. Cowan and Rolfe L. Thompson are defending Bettini.

The following jurors were selected Tuesday to try the case: S. P. Stevenson, L. J. Bills, Basil W. McGrath, Frank W. Goodman, James W. Kirnucan, Edgar A. Brown, Robert Phair, George H. Corbin, John Churchman, Andrew J. Bullard, H. S. Gutermute and Israel Lucas.

## George Colgan Gets a Scare

Every body in this section of the State knows George W. Colgan, the veteran Wells Fargo & Co's express messenger, between Santa Rosa and Vallejo Junction. He has yet to have his first hold up and when a gunshot rung out in the express car of the Southern Pacific Company at El Verano station last Saturday night for a few seconds he imagined he was being held up by bandits. It came about in this way. As the evening train was pulling out of El Verano a loose piece of checked baggage was thrown into the express car. Inside the package was a loaded revolver placed there by some fool traveler. As the bundle struck the floor of the car there was a loud explosion and a bullet sped past Colgan and passed out through the roof the car. Fortunately it did not find lodgment in George's anatomy, but the incident was not to his liking nevertheless.

# STANDARDS FOR BREWING HOPS.

## Value Reckoned on Basis of Hop-Bitter Acids and Aroma.

The following standards have been adopted by the committee on awards for hops entered at the grand international barley and hop prize exhibition at Chicago, Oct. 12 to 22, 1911:

All hops will be valued under one standard, irrespective of geographical origin, on the basis of their hop-bitter acids and aroma, 20 per cent of hop-bitter acids and exquisite aroma receiving 50 points each, penalties being provided for excessive amount of (1) seeds, (2) leaves and stems (poor pick-

CLUSTERS OF FEMALE HOPS AT DIFFERENT STAGES OF GROWTH.

ing), (3) moisture and dryness (poor kiln drying), (4) sulphuring, (5) damage by wind, mold and insects (6) off color and appearance.

Standard hops should range from 100 to 50 points, the relative merit or value of the specimen being expressed in the percentage of points it receives.

For every per cent of hop-bitter acids below 20 and down to 15, inclusive, one point is deducted; for every per cent below 15 and down to 10 two points are deducted; for every per cent below 10 and down to 8 three points are deducted; for 1 per cent below 8 four points are deducted.

The scale of quality as to aroma will range from exquisite with fifty points, to inferior with twenty-five points, the grades being: Exquisite, 50; very good, 40; good, 35; fair, 30; inferior, 25.

Contents of leaves and stems and seeds will be penalized one point for each per cent; moisture 1 per cent for each per cent above 10, up to 14; dryness two points for each per cent below 8 and down to 6 inclusive, as indicated in schedule.

Hops will be disqualified if they contain: (1) Less than 7 per cent of soft resins or hop-bitter acids, (2) more than 14 per cent of seeds (3) more than 12 per cent of leaves and stems, (4) more than 15 or less than 6 per cent of moisture, (5) if strongly sulphured (heavy reaction in five minutes), (6) if heavily damaged by mold or insects, (7) if strongly discolored or strongly off in appearance, (8) if abnormal in odor, disagreeable, cheesy or rank.

# THE AWARDS FOR EXHIBITS OF BARLEY.

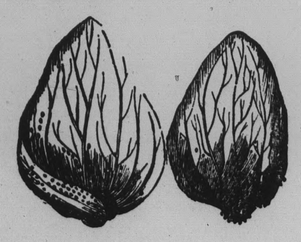
## Cash Prizes Totaling Seven Thousand Dollars.

Awards for exhibits of barley at the second international barley and hop prize exhibit at Chicago, Oct. 12-22, will be made as follows:

The awards will consist of over 100 cash prizes, totaling about $7,000, which have been contributed by a number of associations of brewers, maltsters and individual manufacturers. The highest individual prize is $300.

For the purpose of prize distribution each of the four botanically different types represented by (1) Manchuria, (2) Bay Brewing, (3) White Club, (4) Chevalier will constitute a class by itself.

Prizes are also awarded according to geographical origin—by states—and commercial importance of the crop in the discretion of the committee on



LEAVES (BRACTS) OF THE CONE OF HOPS.

awards. Special awards will also be made in accordance with the conditions imposed by contributors.

The amount of barley offered for exhibit must be at least sixty pounds in bulk, with a sheaf of barley of at least twelve heads each.

The specimens must represent a fair average product of one field on which they were grown and must be taken by the grower himself from a quantity of 2,000 pounds at least.

All samples of barley must be properly certified to have been grown by the exhibitor according to the "rules and regulations" to be obtained from the committee on awards, 1508 Republic building, Chicago.

## NOTICE

## To Contractors

Notice is hereby given by the Board of Supervisors of Sonoma county, California, that sealed bids will be received by the Clerk of said Board up to 12 o'clock noon, Thursday, September Seventh (7th), 1911, for the construction of a bridge over Hooker creek in Agua Caliente Road District, according to the plans and specifications adopted August 8th, 1911, by the Board of Supervisors and now on file in the office of the Clerk of said Board.

All bids must be accompanied by a certified check for ten per cent of the amount of the bid, payable to W. W. Felt, Jr., County Clerk, and to be forfeited to the County of Sonoma should the successful bidder fail within one week after the acceptance of said bid to enter into a contract therefor, and signing a good and sufficient bond for the faithful performance of said contract. Checks of unsuccessful bidders to be returned.

The Board reserves the right to reject any and all bids.

Dated August 8th, 1911.
